RE: CASE NO. ~~2004-00046~~

Dear Ms. O'Donnell:

This filing is in response to the Commission's Order dated March 23, 2004 in the above-styled case requiring Delta to file a report with the Commission detailing the effect of any forward contracts that Delta entered into and an analysis of the impact on the price of gas to its customers.

This is to advise you that Delta did not enter into any forward contracts for the 2005 storage injection season or for the 2005-2006 winter heating season.

Moreover, pursuant to Finding Paragraph 5 in the aforementioned order, Delta hereby requests that its existing natural gas price mitigation plan be extended until March 31, 2009.

Please acknowledge receipt of this filing by stamping the extra copy of this letter and returning to Delta in the envelope provided.

Sincerely,

Connie King
